NF Vision HCP Enrollment Packet

New Learners

This packet is for all New Learners to fill out and return to the Learner Coordinator (LC) at the NF Vision office. You may work on these forms with your Resource Consultant (RC), if you have been matched to one, or with the Learner Coordinator.

Included in this packet are the following forms:

NF Vision HCP Application – Please be sure to fill out *completely*. All of the information we ask for is very important, especially the contact information. We need record of both physical and mailing addresses and current phone numbers. Email is our main source of communication so you must provide an email address that will be checked at least weekly. Please make sure to at least provide the name of the previous school attended so that we may obtain all academic records to complete our files.

NF Vision HCP Contract of Agreements – Please read through and initial all sections of this agreement. Most of our district agreements are outlined in this agreement and it must be renewed every school year.

Immunization Record – Please provide an updated copy of your Immunization Record with this enrollment packet. You will only need to update your file with us, in the future, if there are any changes.

Home Language Survey – This is a required Delta County School District form. This form is designed to designate any learner whose home language is not English.

Volunteer Application – This application needs to be filled out for every adult that will spend any amount of time in the NF Vision office or any affiliated building and by anyone that will provide transportation for NF Vision learners to or from any affiliated NF Vision event.

If you are new to Delta County School District 50J you will also need to fill out a **Medicaid Consent Form**.

You will create and complete the following documents with your RC:

Individual Learning Plan and Budget

Learner/RC/ Parent Agreement

If you participate in crossover classes with another Delta County Public School you will need to complete a **Crossover – Form** (Learners may access 1-3 consecutive classes at traditional public schools in middle to high school grade levels.)

In addition to the forms mentioned above, a copy of the learner's **Live Birth Certificate** must be provided to keep on file.
